HIS WILL, HIS WAY, OUR FAITH

HELLO FROM THE EDITORS

Sometimes it's hard to change what's always been working. The tried and true recipes of our grandmother's or the farming strategies that were passed down from great grandpa have likely been a staple in your household. It's what you've always done. It's been good to you!

Truth is, tradition is truly special. The uniqueness often is cherished and something to look forward to. Change can be rivalled though. Improvements to life-saving devices, GPS monitoring, DNA sequencing, food technologies...the list goes on. Improvements overtime have simplified some of our daily livings, improved our life expectancies and made life more enjoyable. Now, some would argue that the cell phone has created more bad than good. Do we have deep conversation with each other? Or, do we aimlessly scroll through social media and rely mainly on text instead of genuinely checking in on a friend?

The Missouri Hereford Association has decided to transition something that's been good in hopes of something that will be outstanding by changing the date of Missouri Opportunity Sale and Missouri Hereford Association state meeting and banquet. With Christmas festivities swarming and cold weather less predictable, the new date should allow for great Hereford camaraderie at the Missouri State Fairgrounds! November 2-3 promises to be a great time had by all. Keep tradition alive while embracing the future. As the fall is full force ahead, we hope these are successful markers in your own operation as you market generations of hard work breeding cattle!

STATE ASSOCIATION UPDATE

Written by Glen Waters

Hello Missouri Hereford Enthusiasts!

I hope that your summer has been a good one. Many parts of our state have been blessed with favorable weather conditions to improve water resources, provide for a bountiful hay harvest and provide for good grazing conditions for our cattle. I hope you have been able to count yourself amongst this group.

I would like to start off by mentioning that a large contingent of our Missouri Junior Hereford Association members attended the 2024 Junior National Hereford Expo... the "Granddaddy of 'em All". Several members of our state group competed very well in contests and with their cattle...you will be seeing news of those specific results.

We also have just concluded successful large shows of high-quality cattle at both Ozark Empire Fair and Missouri State Fair. I want to extend a thank you to those families and breeders who prepared and pulled out cattle to exhibit at these shows. I know this takes time...and is not easy to accomplish...but would hope you had an opportunity at those events to meet some new folks and perhaps expand your cattle buying customer base.

It is now time for us to shift gears as an association and move toward our fall season events coming up.

First up is the 2024 Missouri Hereford Association Tour. Rusty Miller, our MHA Board Member for District 8 has worked with breeders in his area to put together an outstanding lineup of tour stops. I would encourage you to mark your calendar for this event in south Missouri for the weekend of September 14 and 15.

September and October are months that feature several marketing events for our members, including live auctions and online auction events. Please look at the Calendar of Events in this edition of Missouri Hereford News to identify which breeders in our state are holding events that you might want to support by purchasing genetics for your herd.

As late October rolls around, I would encourage you to consider attending and participating in the AHA Annual Meeting and educational forums held in Kansas City on October 24-27. This will include insightful sessions on our breed and the beef industry, as well as events at the American Royal Complex.

My focus in this article would be to remind you that our annual Missouri Opportunity Sale event has a new date! Mark down the weekend of November 2 and 3 in Sedalia for our Annual Meeting and Opportunity Sale event. We changed the dates on this event to align with the feedback your board of directors received from you – our membership. My ask is that our membership shows up in force to participate in the events and activities of the weekend. Any deserving candidates you have in mind for our standard slate of awards are due to

Andi Howard, our Association Secretary, or me by October 1.

Joe Rickabaugh has worked with our membership to recruit and sort a high-quality set of cattle for you to consider adding to your operation. In addition to the standard registered lots of cattle, a new addition for 2024 are consignments of commercial Hereford influenced baldy females. Look for these exciting consignments as your catalog is made available.

Another item of note to those of you who have junior association members in your family...the deadline to apply for the scholarships offered by our various state groups to our deserving youth is October 1. If you have questions about the available scholarships or how to apply, I suggest you reach out to Andi Howard for those details as well.

Thank you for your membership in and support of our Missouri Hereford Association. I look forward to seeing many of you at the events I've outlined or somewhere else down the trail!

Glen Waters, Missouri Hereford Association – President

WOMEN ASSOCIATION UPDATE

Event updates

Written by Tonya Bagnell

The Hereford Women of Missouri held a meeting on Saturday, Aug. 10, 2024, at the Missouri State Fair. We had nine members present.

Our group sponsored donuts in the barn prior to the Open Hereford Show at the Missouri State Fair.

We decided to sponsor the showmanship prizes during the 4-H/FFA Show. The following juniors were awarded the top showmen at the state fair:

4-H Winners: Lila Sissel and Ellie Peterson

FFA Winner: Cole Murphy

The Hereford Women will oversee table decorations for the state banquet. We will also be hosting the social hour prior to the meeting and banquet. Please watch our Facebook page for more information.

The Hereford Women have an online store where we are selling Hereford apparel. Please watch to see when we reopen the store.

The Hereford Women sponsor a \$250 scholarship given each year to a junior member who is a high school senior or a attending college. The Scott Adam's family is also sponsoring a \$500 scholarship. The scholarships can be found at mohereford.org under Hereford Women. The postmarked deadline is Oct. 1, 2024.

The Hereford Queen application postmarked deadline is Oct. 1, 2024. We encourage all applicants.

We encourage any new members. Please send dues to Marijane Miller.

Tonya Bagnell
Missouri Hereford Women Secretary

Mary Grace Warden
Missouri Hereford Queen

Green Eggs and Ham Breakfast Casserole

Prep Time 10 minutes
Cooking Time 20 minutes
Serves 12

Ingredients

- 12 eggs, beaten
- 1 onion, chopped fine
- 1 smoked ham steak (should be cooked), chopped
- 1 can(s) green chili's (about 8 ounces)
- 1 large package(s) hash brown potatoes (about 2 lbs) - I used frozen
- 2 teaspoon(s) Tony Chachere's Creole
- Seasoning or salt and pepper to taste (about 1 teaspoon each)
- 1 cup(s) Colby Jack Cheese, grated (or any cheese of your choice)
- Don't have grated cheese...layer on slices of American Cheese...no one knows the difference!

Directions

- Beat eggs and set aside.
- Chop onions and ham and set aside.
- Spray a 9 x 13 inch baking dish with Pam Cooking Spray or grease lightly.
- Place hash brown potatoes frozen or thawed in the bottom of the dish.
- Add onions, ham, milk and green chili's to eggs and mix well.
- Add seasonings.
- Add grated Colby Jack Cheese to the egg mixture and blend well.
- Pour egg mixture over the hash brown potatoes.
- Place egg casserole in the oven and cook on 400 degrees for twenty minutes or until eggs are set and not runny when a fork is placed in the middle of the casserole.
- Allow to cook and serve alone or with a side of tomato salsa, hot sauce like Chhutula or Tabasco "Red" Hot Sauce.
- The ham I used was smoked (cooked previously), but you could use sausage that has been cooked prior to placing in this breakfast casserole.
- Note: My good friend Buffy Massey and I made almost the same recipe two days in a row. Her variation was made in her crock pot though. She cooked it on medium heat for 6 - 9 hours until done. Just check a few times the last few hours. She used cooked sausage. Enjoy!

This hearty recipe is great for special family breakfast or to take to work as a treat for coworkers! You can even cook it in the crockpot like my friend Buffy!

JUNIOR ASSOCIATION UPDATE

Looking forward to JNHE

Written by Kristin Waters

Hello juniors!

I hope everyone had an amazing Missouri State Fair this year! Congratulations to all of the Grand and Reserve champions in the 4-H, FFA, and Open Shows!

While at the State Fair, we elected three new board members, and one reelected to another three-year term. Newly elected and re-elected board members to a three-year term include Reagan Sneed, Emma Hancock, Maggie Reed and me.

New offices include Mary Grace Warden serving as your president, myself serving as your vice president, Jorja Ebert

serving as your secretary, Tory Miller serving as your treasurer, Emma Hancock serving as your new reporter, and Beau Ann Graves and Karsyn Kleeman serving as your fundraising co-chairs.

I wish everyone a good start to their school year and hope to see everyone at the Missouri Opportunity Sale in November!

A WORD FROM THE ADVISORS

Junior National and Missouri State Fair report

Written by Hayley Miller and Marijane Miller

Hayley Miller
MJHA Advisor

Every year, I can't wait for school to be out and spend time with family and friends during the summer. Every year, summer seems to fly by faster and faster. It seems, this year is no exception, and it feels that summer went by extremely quick. It is already time to send them back to school. It is so bittersweet.

On the one hand, you want to see them grow and spread their wings. On the other hand, you know time is not on your side and you only have so many summers to spend with them.

The Missouri Junior Hereford Association had a great summer spending time with each other and exhibiting our favorite breed together. There were 35 Missouri juniors exhibiting 55 head of Hereford cattle the Junior National Hereford Expo (JNHE) this year in Grand Island, Nebraska. We all got to enjoy catered lunches four days during JNHE. The Missouri State Fair (MSF) was good to us this year, too. The weather was amazing the entire time we were there. The cooler temperatures really helped with everyone's mood.

We want to thank all the donors who so graciously sponsored the 4-H and FFA awards for MSF. We truly appreciate all of you.

*AMR Cattle Co.

Valley Oaks
Thompson Herefords*

Madelyn Thompson shows at the Junior National Hereford Expo.

Our fundraising chairs have been working on the fundraising efforts. We are raffling off two fans for one winner. Tickets are inexpensive and can be purchased from any of the board members or advisors. The winner will be drawn on November 3 at the Missouri Opportunity Sale in Sedalia. Winner does not have to be present to win.

The Hereford Field Day is in District 8 this year on September 14 and 15. We encourage all juniors to attend and learn more about the operations in this district. There will be speakers, food, fun and prizes. It should be fun for all ages.

Thank you to all our donors and volunteers. We couldn't do it without you! We hope to see everyone at the Missouri Opportunity Sale in November. Have a great start to the new school year.

DEFINING A NEW GENETIC REALM

- » You will not find a truer herd bull look in unison with this kind of data package
- » His dam is the rockstar donor 7098 who is creating an absolute buzz in the breed with everything she produces; this is your chance to tie into a dominant cow line
- » The first progeny did exactly what was expected - arrive unassisted, get up fast, and come with a look that gets producers excited
- » Awesome fronted, great balance, with tremendous feet - use him to 'class up' your herd
- » DNA tested homozygous polled, 100% pigment both eyes
- » +497 BMI and +173 CHB with 13 traits in the top 10% of the breed

Scan for the most up-to-date EPDs on Kingdom!

SLEEP UNTIL SUNRISE

- » The next step in high maternal, calving ease genetics who was the standout individual at Baumgarten's 2023 sale
- » His dam, D81, was a workhorse bull-making machine at Sandhill and is already doing the same at her new home. Plus, she has 12 daughters in production ratioing 103 on 22 calves
- » A balanced, curve-bending sire posting 10+ traits in the top 20% without sacrificing true beef bull look and quality
- » Extremely deep, soft-sided bull who excels for muscle and structural quality, he is short marked, dark red, and goggle-eyed
- » DNA tested homozygous polled, 100% pigment both eyes
- » +423 BMI and +140 CHB ranking in the top 10% of the breed on 6 economic traits

HEADED WEST TO THE GRAND DADDY OF 'EM ALL

Missouri junior members accomplish many honors during the 2024 Junior National Hereford Expo

Throughout the summer, Missouri Junior Hereford Association (MJHA) members worked tirelessly to attend the “Grand Daddy of ‘Em All”, Better known as the 2024 VitaFerm® Junior National Hereford Expo (JNHE). The JNHE was held from July 6-12 in Grand Island, Neb. Thirty-five juniors represented the MJHA well through the educational contests, to the cattle shows.

Congratulations to the division winners and reserves in the Owned and Bred and Owned Female show. Exhibiting the Reserve Champion Division 7 Polled Female, and Division 6 Champion Bred and Owned Female was Beau Ann Graves of Chillicothe, with BAG Geneva 310 ET. An April 20 daughter of KJ BJ 58Z Contender D56 ET and TKCC Diamond Club 001 ET as the dam. Leading the Reserve Champion Bred and Owned Cow-Calf Pair was Taylor and Tory Miller of Lebanon with MH 88X Miss Entice 2176 ET, an April 1, 2022 daughter of UPS Entice 9365 ET, MH 8367 Miss Ribeye 6678 ET as the dam.

The annual showmanship competition was a battle for members of the MJHA. One member receiving top 10 honors by placing 10th in the Peewee division was Davis Ward of Oak Grove.

One of the National Junior Hereford Associations most coveted awards is the Herdsman of the Year. The award recognizes a Hereford junior who excels in management of their cattle and knowledge of the Hereford breed. Nominated as a finalist for this award was Taylor Miller of Lebanon.

As for the educational contests, Gavin Rhode of Stewartsville was awarded as the 2nd place winner in the Senior Hereford Cattle division of the photo contest.

Juniors were also recognized for their dedication and time to the Hereford breed and the National Junior Hereford Association (NJHA). Continuing onto his final year on the NJHA Board of Directors was Isaac Rhode of Stewartsville. Leading in classes as the Missouri Hereford Queen was Mary Grace Warden of Halfway. Receiving a scholarship to attend the Faces of Leadership conference in Fort Worth, Texas was Karsyn Kleeman of Braymer.

MJHA members selected Tory Miller, Lebanon as their representative of the states Outstanding Junior Member.

BUTLER ENGAGEMENT

Joel Butler and Grace Erickson plan to marry

Republic, Missouri

Joel Butler of Butler Polled Herefords, Republic, Mo., plans to marry Grace Erickson, Boliver, Mo., on November 8.

Joel is the son of Jimmie and Andrea Butler and grew up embracing the Hereford associations, still remaining true to the breed today while also owning Butler Cattle Company, raising Simmental cattle and ET calves for purebred clients.

Grace grew up raising and showing Simmental cattle and is the daughter of Tim and Nancy Erickson. She works for USDA as a market reporter.

The couple have a cowherd consisting of Herefords, Simmentals and commercials and look forward to residing in Republic, Mo.

Joel and Grace to wed in November.

Bottling Compassion

Tom Thompson awarded as the 2023 MHA Friend of the Association

Nestled in Northwest Missouri, in Amity, an operation rooted in greatness was built from the ground up. Tom Thompson, alongside his wife Laura and children Madelyn Grace and Brynlee Ann have strived to continue the legacy of Thompson Herefords.

Adversity

Tom's parents owned and operated a row-crop farm in central Iowa. In 1975, the farm took a turn as they purchased their first Herefords for the purpose of running a commercial cow-calf operation. Tom's father had the initiative to raise bulls each year to sell private treaty. Although selling Herefords in Iowa wasn't the most popular, they kept the operation going until 2008.

"[My dad] had passed away with a real short battle of cancer, and it was kind of a fly by night thing," Tom says. "My mom was still on the farm, and we were able to rent some land down here in Missouri, where I lived at the time and just up and moved it. I still stuck with the beliefs my dad taught me and kept the commercial breeder in mind."

As time passed on, Thompson Herefords grew in Amity to a purebred operation with emphasis on show cattle production, the Thompson family has expanded and transitioned into something special.

The current operation holds around 40 cows at capacity. By utilizing Artificial Insemination and Embryo Transfer, the Thompsons have been reaching their goal of producing show heifers that can produce banners in the ring, and calves in the pasture. Annually, they hold an online sale, as well as offering bulls private treaty throughout the year. Besides the cattle, Tom recognizes the importance of youth within their operation.

"I've been involved with agriculture and kids basically all my life, so we like to be able to help kids out with their 4-H or FFA projects," Tom says. "We offer all of our customers that buy cattle

to bring them back and we'll get them bred, because a lot of our customers are kids that maybe don't have registered Hereford herds or access to Hereford bulls. We try to help the kids market the calves as well. We've always been able to base that on helping those families, and it's worked out really well for us."

Tom also recognizes the importance of family involvement across the farm. From Madelyn Grace showing cattle and helping halter break sale calves, to Brynlee Ann spending time around the barn to Laura being a support system for the farm, to the many individuals such as Dusty Jones, their hired hand and Cory Wood that assist at shows and on the farm—they've seen the importance of surrounding themselves with good people. A dream for Tom since he was a young boy has finally come to the surface.

"It has been my passion since I was a kid to be around cattle," Tom says. "I loved showing but we didn't have the resources to be able to do it at the level that we are now, but it was a passion of mine. It didn't matter if it was getting to go to the county fair or to the state fair, that was my drive and that was my why back when I was a kid. It's grown to be a family passion."

The classroom and the workroom

With a background fully immersed in agriculture, Tom knew it was a passion to be continued well past his childhood. Aside from showing livestock, Tom was an involved FFA member through judging livestock and leadership development. From the influence of his Agricultural Teacher, Keith Kinne, and his parents also being educators, Tom continued on to study Agricultural Education from Northwest Missouri State University.

"I graduated in December, so when I got my first teaching job, I was at the Denver Stock Show working for Eldon Miller," Tom says. "I got a phone call asking if I wanted to come teach in

the middle of the year at Union Star, Missouri. When I got back from Denver, I went down there and I didn't know if I wanted to teach then because I really loved doing the show cattle thing, but I went ahead and took the job.

Tom continued at Union Star for eight years. He added onto his title of ag teacher, basketball coach and football coach. From there, he moved to Stewartsville where he has been an active teacher for the last 12 years. Tom continues to learn from his profession day-by-day.

"It has made me probably really humble, especially seeing the rewards of kids that I've coached or taught come back and thank me," Tom says. "I've seen their success, so I want to bring that onto my own children. Just seeing the success of the kids at the end of the day, that's the rewarding part. You probably don't get in our profession the thank yous that other people do, but it's what you see and what you notice that is the biggest reward for me as a teacher."

Aside from teaching, Tom and Laura have embarked on a business endeavor. In 2016, they started a daily livestock haircare product, better known as "The Green Stuff". By creating the formula and bottling product in their basement, the Thompsons have grown their company tremendously.

"The Green Stuff" has taken the livestock show community by storm. With a commercial processor, 14 products, and over 75 dealers across the United States, Canada and Australia, they have built their business on the foundation to bring affordable and high-quality products to their consumers.

"We started from day one because I know where I started when I was showing; I didn't have the resources," Tom says. "We kept in mind that it doesn't matter what scale that you show on, but having products that people could afford that got results and that people could use. We've always kept that in mind of being cost effective, practical,

Left: The Thompson family successfully exhibited the 5th Overall female at the Missouri All Breeds Junior Show in June.
Right: Taking a minute to soak in the shows, the Thompson Family sits together in the stalls at the 2023 Junior National Hereford Expo.

Tom and Laura's business "The Green Stuff" has taken the livestock show industry by storm, even selling product at the 2024 JNHE.

Throughout their time within the Hereford breed, the Thompsons have always loved the people they've met and added to their circle.

proven results is our slogan. It's grown every year, and it continues to grow, and it's been a wild journey since it started, but it's been a good one."

Tom reiterates surrounding yourself with good people when it comes to running any type of business. The connections he's gained, and relationships that support their journey with the business is what makes them successful, as well as the support from home.

"As a family business, you've got to have everybody on board," Tom says. "You've got to have a support group and a partner that's going to support you. That's what we have and that's what makes it successful and which makes it fun because I get to do that with my wife and kids every day."

Giving back

Combining Tom's love for his business and youth programs, has led

an initiative to give back. Throughout the Thompsons experience with the Missouri Junior Hereford Association and National Junior Hereford Association, they mention the impact people have when it comes to support. Members, no matter the background, are always supporting one another.

This experience is something the Thompsons encourage amongst their children, and customers. Having something memorable to look back on, is the reason why they have spent countless dollars, products and time dedicated to sponsoring and donating back to youth programs.

"My dad would rather have done without and given to somebody," Tom says. "We're able to do that, and I want to see other kids have success at the end of the day."

Tom's dedication to the Missouri Hereford Association and Missouri

Junior Hereford Association has not gone unnoticed. The selflessness of their family to donate back to the programs have awarded him with the 2023 Missouri Hereford Friend of the Association, an award they were surprised to receive.

"It was an honor to me; like I said, my parents have as much to do with this as anything, and I'm so awfully proud of that," Tom says. "The association and the people that we've grown to know, people can brag about other things, but they're second to none. The breeders in the state dive in and help one another, especially at times of need. But it's an awesome honor, and we're proud to have received that."

The continued support of the junior programs has no end in sight. As the girls are early in their junior careers, with many shows and years of Hereford cattle ahead for the Thompsons, the people are just as important as the cattle.

FLASPOHLER OBITUARY

***Pam Flaspohler passed away June 22, surrounded by her family
Fayette, Missouri***

Pamela Lee Flaspohler was born in St. Louis, MO, to Robert and Jane Weiland. She grew up in Kirkwood and attended Central Methodist University (CMU), where she majored in Music Education. While there, she met her husband, Frank; they were married in 1978 and settled down in Fayette, MO.

When her children attended St. Mary's Catholic School in Glasgow, Pam became the music teacher there, bringing her love of music to the students. After her children graduated, Pam worked in the Conservatory at CMU.

After 7 years, Pam shifted to the Prosecuting Attorney's Office in Boonville, in the family support division, aiding with child support cases. After almost a decade of serving the Cooper County area, Pam returned to working in Fayette, at her son's law office.

Pam was also active in St. Joseph's Catholic Church, where she shared her gifts of music. For almost 40 years, she brought her love of music to her faith and enhanced the lives of many in the church. Pam's faith was very important to her.

Surrounded by her family, Pam passed away in Columbia, MO, on June 22, 2024. Even in death, Pam continued to serve others, donating several of her organs, saving three lives, giving sight to two, and helping countless others.

Pam is survived by her husband Frank W. Flaspohler; her son Frank R. Flaspohler, with his wife Katy Flaspohler and their children Frank K., Gracelyn, Abigail, Eleanor, Henry, and Madison; her daughter Carrie Araiza, with her husband Christian Araiza and

their children Aeris and Xavier Barton, Cheyenne Johnston, Elizabeth Polinski, and Lenore and Addalynn Araiza; her son

Tim Flaspohler, with his wife Sabrina Flaspohler and their children Cainen and Cortana Flaspohler; and her daughter Laura Flaspohler, with Brian Nichols; her brother Jeff Weiland, with Davie Dizon; and her mother Jane Weiland. Pam was preceded in death by her father Robert Weiland.

In lieu of flowers, the family requests for donations to be sent to the Benedictine Sisters of Perpetual Adoration in Clyde, MO.

Shoot-Out Showdown

Two Missouri Junior Hereford Association members win Top 5 Female honors at the Show-Me Shoot-Out

Each year, the last event of the Missouri State Fair junior cattle shows is the selection of the Supreme and Top Five females, better known as the “Show-Me Shoot-Out.” Juniors that are the respective Champion and Reserve Champions of their breed, lead their animals into the Coliseum in hopes of a champion slap. This year, both Hereford females were represented in the Top Five at the Show-Me Shoot-Out. Leading the Reserve Supreme Female was Madelyn Thompson of Amity. This heifer was also awarded as the Champion Born and Raised Missouri Female. Leading the 3rd Overall Female was Beau Ann Graves of Chillicothe. Missouri Junior Hereford Association members, Thompson and Graves dive deeper into their time during the Supreme selection.

BEAU ANN GRAVES

Q: How did it feel going into the Final Drive?

A: Saturday was a very emotional day for me, as earlier that morning I was blessed with the opportunity to be apart of the Missouri State Fair Sale of Champions with my Grand Champion Steer. My feelings of gratitude and nerves were high, and that night was no different walking into the Show-Me Shoot-Out Grand Drive.

Q: How did it feel to be able to share a win with another Hereford Junior?

A. I consider the Thompson family as a big part of my Hereford family and getting to share this opportunity with Madelyn is truly something special. No matter if we are in the ring or standing ringside we are always rooting for each other.

Q: What's it like to be able to represent the Hereford breed as a whole with this win?

A. By having two Herefords in the Top Five speaks volumes of quality for the breed within Missouri and beyond. The Hereford breed holds a large part of my heart and it has done so much for me over the years. It was an honor to represent Hereford.

MADELYN THOMPSON

Q: How did it feel going into the Final Drive this weekend?

A. I was very nervous going into this weekend, and also excited since this was the third year in a row that I participated in the Shoot-Out. My goal all year was to get into the Top Five at the Shoot-out, and was just as nerve wracking as the first time.

Q: What was your reaction to getting a champion slap at the Show-Me Shoot-Out?

A: My heart was pounding so hard. I could feel it everywhere. It was so super exciting and an incredible moment I will never forget. I am so thankful to share that win with my family and people that helped me get here.

Q: How did it feel to be able to share a win with another Hereford Junior?

A. It was very cool to see two Hereford be able to get into the Top Five of this caliber. It was even more special to share this with Beau Ann since I've always looked up to her.
